INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Lester and Rosalie Anixter Center
and Affiliates
Chicago, Illinois

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Lester and Rosalie Anixter Center and Affiliates (an Illinois not-for-profit corporation), which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Lester and Rosalie Anixter Center and Affiliates as of June 30, 2015, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The fiscal year 2014 consolidated financial statements of Lester and Rosalie Anixter Center and Affiliates were audited by SS&G, Inc. whose directors and professional staff joined BDO USA, LLP as of January 1, 2015, and has subsequently ceased operations. SS&G, Inc.'s report dated November 3, 2014 expressed an unmodified opinion on those consolidated statements.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements of Lester and Rosalie Anixter Center and Affiliates taken as a whole. The accompanying consolidated schedule of expenditures of federal awards (on pages 34-35), as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the additional supplementary information (commencing on page 30), is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted

in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 19, 2015, on our consideration of Lester and Rosalie Anixter Center and Affiliates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lester and Rosalie Anixter Center and Affiliates' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A - Summary of significant accounting policies

Nature of activities

Lester and Rosalie Anixter Center (Anixter Center) and its subsidiary, the Center Foundation, is an Illinois not-for-profit organization that operates various programs in Chicago and vicinity, assisting people with disabilities to live and work successfully in the community.

Principles of consolidation

The consolidated financial statements include Anixter Center, its subsidiary the Center Foundation, and seven HUD projects (collectively, the Organization). These projects include: Crystal Courts, HUD Project No. 071-HD009; Chase Apartments, HUD Project No. 071-EH-061; Clark Street Apartments, HUD Project No. 071-EH099; Housing Opportunities for Persons with Disabilities, HUD Project No. 071-HH011; Halsted Apartments, NFP, HUD Project No. 071-HD122; The Center Apartments for the Disabled; HUD Project No. 071-EH545 and Anixter Village, HUD Project No. 071-HD128 (the HUD Projects). Anixter Center is the management agent for the seven HUD projects. All significant intercompany accounts and transactions are eliminated in consolidation.

Basis of presentation

The accompanying consolidated financial statements are in accordance with accounting principles generally accepted in the United States of America (GAAP) as recommended in the American Institute of Certified Public Accountants' Audit and Accounting Guide for Not-for-Profit Organizations.

The net assets of the Organization are classified as follows:

Unrestricted net assets, represent the portion of net assets that are available for operations.

Temporarily restricted net assets include the net assets from grants, contributions, or other inflows where the use is limited by donor-imposed restrictions that either expire by the passage of time or can be fulfilled and removed by the actions of the Organization. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restriction. See Note L.

Permanently restricted net assets represent endowment funds which are subject to the restriction of the donors that the historic dollar value of the gift be preserved in perpetuity. See Note M.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A - Summary of significant accounting policies, continued

Use of estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Allowance for doubtful accounts

The Organization recognizes an allowance for losses on grants, fees, contracts, and contributions receivable in an amount equal to the estimated probable losses net of recoveries. The allowance is based on an analysis of historical bad debt experience, and expected future collections, as well as an assessment of specific identifiable customer accounts considered at risk or uncollectible. The expense associated with the allowance for doubtful accounts is recognized as program expense. As of June 30, 2015 and 2014, management recorded an allowance for grants, fees, and contracts of \$173,487 and \$125,478, respectively. As of June 30, 2015 and 2014, management recorded an allowance for contributions of \$2,600 and \$0, respectively.

Property and equipment

Property and equipment are carried at historical cost if purchased or fair value if contributed. Depreciation is computed using the straight-line method over the estimated lives of the assets as follows:

Buildings	40 years
Building and leasehold improvements	5-30 years
Furniture, equipment, and software	3-10 years
Vehicles	5 years

The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of \$500. Expenditures which materially increase the value or extend the useful lives of the related property and equipment are capitalized. When property and equipment are retired or otherwise disposed of, the costs and related accumulated depreciation are removed from the respective accounts and any gain or loss on disposition is credited or charged to operations. Routine maintenance is charged to maintenance expense.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A - Summary of significant accounting policies, continued

Impairment of long-lived assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell. As of June 30, 2015 and 2014, in the opinion of management, there is no impairment on assets to be recognized.

Investments

Investments in marketable securities, fixed income securities and mutual funds are reported at fair value based upon market quoted prices. Donated investments are recorded at the fair value as of the date of contribution. For the years ending June 30, 2015 and 2014, respectively, stock contributions of \$21,347 and \$17,027 were immediately converted to cash and have been included in cash from operating activities in the consolidated statements of cash flows. Unrealized gains and losses are included in the accompanying consolidated statements of activities.

Revenue recognition

The Organization receives grant, contract and government fee revenue from federal, state and city agencies. The Organization recognizes grant and contract revenue (up to the respective ceiling) either on a pro rata basis over a 12-month period, which represents the service period for certain arrangements, or as expenses are incurred for cost reimbursement grants. Government fee revenue is recognized as services are provided, in amounts provided for under the terms of the underlying agreements.

Any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds, or both, as a result of noncompliance by the Organization with the terms of the grants/contracts.

Contributions

Contributions and unconditional pledges of cash and other assets are reported at their fair market value as of the date the pledge is received to the extent estimated to be collectible by the Organization. Contributions and pledges received with donor restrictions that limit the use of the donated assets are reported as temporarily restricted support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restrictions are accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the consolidated statements of activities as "net assets released from restrictions".

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A - Summary of significant accounting policies, continued

Contributions, continued

However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

Unconditional pledges that are expected to be collected within one year are recorded at their net realizable value. Unconditional pledges that are expected to be collected in future years are recorded at the present value of estimated cash flows. The discounts on those amounts are computed using a risk-free rate in the year in which the promise is received. Accretion of the discount is included in contribution revenue.

Endowment contributions are permanently restricted by the donor. Investment earnings from endowments available for distribution are recorded in unrestricted net assets.

Functional allocation of expenses

Expenses are allocated to programs, fundraising and management and general according to actual use wherever practical. Indirect expenses that benefit more than one program have been allocated to the programs which benefit from these costs.

Income taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, except for net income derived from unrelated business activities. In addition, the Organization qualifies for the charitable contribution deduction under Section 170 and has been classified as an organization other than a private foundation under IRC Section 509(a).

The Organization's income tax filings are subject to audit by various taxing authorities generally for three years after filing. In evaluating the Organization's activities, management believes its position of tax-exempt status is based on current facts and circumstances and there have been no uncertain positions taken related to recording income taxes. In the opinion of management there are no activities unrelated to the purpose of the Organization and therefore no tax is to be recognized.

Reclassifications

Certain items in the financial statements as of and for the year ended June 30, 2014 have been reclassified for presentation purposes. Such reclassification had no impact on the change in net assets.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A - Summary of significant accounting policies, continued

Subsequent events

Subsequent events were evaluated through November 19, 2015, which is the date the consolidated financial statements were available to be issued.

NOTE B - Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no changes to valuation methodologies during the years ended June 30, 2015 and 2014.

See accompanying independent auditor's report.

Investment fees for the years ended June 30, 2015 and 2014 were \$39,586 and \$31,021, respectively and have been netted against investment income.

NOTE C - Concentrations of credit risk

The Organization maintains the majority of its cash at multiple financial institutions. All deposit accounts at Federal Deposit Insurance Corporation (FDIC) insured institutions are insured up to current FDIC limits. At times during the year, the Organization's bank balances have exceeded the federally insured limits; however, it has not experienced any losses with respect to its bank balances in excess of government provided insurance.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Consolidated Statements of Activities.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE C - Concentrations of credit risk, continued

In 2015 and 2014, approximately 59% and 57%, respectively, of Anixter Center's operating revenues were provided by governmental funding sources. Of the amount provided by governmental funding sources, 76% was provided by the Illinois Department of Human Services (IDHS). Receivables from IDHS represent 33% and 47% of total grants and fees receivable as of June 30, 2015 and 2014, respectively.

NOTE D - Contributions receivable

Contributions are recognized as revenue when they are received or unconditionally pledged. Pledges receivable are amounts committed by donors that have not been received by the Organization.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Long-term pledges were discounted at a rate of 5%.

Contributions receivable, as of June 30 are as follows:

	<u>2015</u>	<u>2014</u>
Pledges due in less than one year	\$ 18,010	\$ 180,339

NOTE E - Hairpin Lofts, LLC investment

During the year ended June 30, 2010, Anixter Center entered into a development agreement with an unrelated third party and formed Hairpin Lofts, LLC. The project (Hairpin) of the newly formed entity involved the acquisition, rehabilitation, and development of a historic building in Chicago, Illinois for the purpose, in part, to create low-income residential housing. Anixter Center holds a 25% interest in Hairpin Lofts Manager, LLC, the managing member, which in turn holds a 0.01% interest in Hairpin Lofts, LLC. Anixter Center has no ability to exercise control under the existing ownership structure and, therefore, Hairpin has not been consolidated with Anixter Center. Anixter Center accounts for its investment in Hairpin under the equity method.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE E - Hairpin Lofts, LLC investment, continued

In conjunction with the formation of Hairpin, the City of Chicago granted to Anixter Center \$1,238,700 representing the proceeds from the sale of affordable housing tax credits associated with the project. Anixter Center then loaned the proceeds to Hairpin in exchange for a 50-year, interest-free, note receivable. All principal on the note is payable at maturity on March 1, 2060 and the note is secured by a junior mortgage and assignment of rents on the Hairpin real estate. The carrying value of the note has been discounted using a rate of 4.35% and is reflected on the Organization's June 30, 2015 and 2014 consolidated statements of financial position at \$182,308 and \$174,708, respectively.

NOTE F - Property and equipment

The Organization's property and equipment consists of the following at June 30:

	<u>2015</u>	<u>2014</u>
Land	\$ 3,702,647	\$ 3,702,647
Buildings and improvements	27,369,450	26,995,387

Depreciation and amortization expense for the years ended June 30, 2015 and 2014 was \$1,123,857 and \$1,079,892, respectively.

NOTE G - Line of credit

As of June 30, 2015 and 2014, Anixter Center had \$5,000,000 and \$3,805,000 outstanding under a line of credit with First Bank and Trust. As of June 30, 2015 and 2014, borrowings under the line bear interest at the prime rate of 3.25% less .75%. This agreement allows for maximum borrowings of \$6,000,000. All borrowings are secured by Anixter Center's investments and a lien on certain real properties and are subject to a certain financial covenant requiring the consolidated net assets to be \$20 million. At June 30, 2015, the Organization was not in compliance with this covenant and received a waiver from its financial institution through the agreement expiration. Subsequent to June 30, 2015, Anixter Center received an additional \$2,000,000 line of credit from First Bank and Trust.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE I - Note payable - City of Chicago

The Crystal Courts HUD Project has a note payable to the City of Chicago, dated June 8, 1999, that is secured by a junior mortgage and a corresponding security agreement. The provisions of the note are subordinate to all applicable federal statutes, HUD regulations and related HUD directives and administrative requirements. This is a zero-interest loan and the principal balance of \$303,337 is not required to be paid until maturity on June 8, 2039. The note payable as recorded on the consolidated statement of financial position was calculated as follows as of June 30:

	<u>2015</u>	<u>2014</u>
Principal amount	\$ 303,337	\$ 303,337
Less unamortized discount	<u>(248,845)</u>	<u>(252,765)</u>
Long-term note payable	<u>\$ 54,492</u>	<u>\$ 50,572</u>

The unamortized discount on the note is based on an imputed interest rate of 7.75%. Per the note agreement, in any year that Crystal Courts has Residual Receipts, Crystal Courts is required to request HUD to release such Residual Receipts for the purpose of paying principal on the note.

The Halsted Apartments, NFP project has a note payable to the City of Chicago, dated October 1, 2004, that is secured by a junior mortgage and a corresponding security agreement. The provisions of the note are subordinate to all applicable federal statutes, HUD regulations and related HUD directives and administrative requirements. The original principal balance was \$545,108. Interest accrues at a rate of 3% per annum. Principal and interest payments are not required until October 1, 2044. This interest rate was below the market interest rate for a similar loan at the date of issuance. The note payable as recorded on the statement of financial position was calculated as follows as of June 30:

	<u>2015</u>	<u>2014</u>
Outstanding principal amount	\$ 457,367	\$ 457,367
Less unamortized discount	(86,141)	(85,648)
Add deferred interest payable	<u>146,246</u>	<u>132,334</u>
Long-term note payable	<u>\$ 517,472</u>	<u>\$ 504,053</u>

The unamortized discount on the note is based on imputed interest rates of 4.75% to 5.25% at the time of loan draw. Per the note agreement, all payments due under the note are only payable from Residual Receipts, as defined, and must be made only after receiving HUD authorization.

For the years ended June 30, 2015 and 2014, the Organization incurred \$17,338 and \$16,973, respectively, of accreted interest related to these notes.

See accompanying independent auditor's report.

NOTE J - Contributions in kind

Donations of services are recorded if they create or enhance a non-financial asset or are specialized skills that would be purchased if they were not donated. During the years ended June 30, 2015 and 2014, the Organization received donated legal, consulting, and other services valued at \$140,439 and \$214,383, respectively, from independent third parties.

Donations of materials and goods are recorded at the donor's estimated fair value at the date of donation. Such donations are recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose. During the years ended June 30, 2015 and 2014, the Organization received donated materials valued at approximately \$170,004 and \$275,664, respectively.

NOTE K - Capital advances

The HUD projects received capital advances under Section 811 of the National Affordable Housing Act in 2004 for construction costs of Anixter Village, The Center Apartments for the Disabled, Crystal Courts, Halsted Apartments, NFP, and Housing Opportunities for Persons with Disabilities projects. The capital advances bear no interest, are secured by the real estate and personal property of the related HUD project, and need not be repaid as long as the housing remains available to disabled persons for at least 40 years. If a HUD project defaults under the terms of the note or its Regulatory Agreement, the entire principal sum plus interest from the date of the first advance shall become due at once.

The capital advances and annual default rates of interest were as follows for the years ended June 30, 2015 and 2014:

	<u>Capital Advance</u>	<u>Default Rate of Interest</u>
Anixter Village	\$ 2,167,700	5.250%
The Center Apartments for the Disabled	1,316,400	8.375%
Crystal Courts	1,746,100	5.750%
Halsted Apartments, NFP	2,201,900	5.250%
Housing Opportunities for Persons with Disabilities	<u>1,528,500</u>	7.750%
	<u>\$ 8,960,600</u>	

In addition to the above capital advance from HUD, Anixter Village also received a \$172,500 junior mortgage from One Mortgage Partners Corp. in 2006, which may be recaptured up to 15 years from the date of the HUD project's completion.

Contributions	45,111	77,315
	<u>\$9,186,071</u>	<u>\$ 9,243,471</u>

NOTE M- Endowment

Anixter Center's endowment as of June 30, 2015 and 2014 consisted of a donor-restricted endowment fund. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. As of June 30, 2015 and 2014, permanently restricted net assets consisted entirely of endowment funds.

Interpretation of relevant law

The Board of Directors of Anixter Center has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the historical cost of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, Anixter Center classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment. The income of the endowment shall be used in the sole discretion of the Anixter Center in the fulfillment of its purposes in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, Anixter Center considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of Anixter Center and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of Anixter Center
- (7) The investment policies of Anixter Center

Investment policies

Anixter Center has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that Anixter Center must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that over time will average the level of the approved endowment spending rate plus inflation while minimizing investment risk. Actual results in any given year may vary from this amount.

See accompanying independent auditor's report.

LESTER AND ROSALIE ANIXTER CENTER AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE M - Endowment, continued

Spending policies

Per donor instructions the interest earned on the endowment investment is to further enhance the mission of Anixter Center. Anixter Center has a policy of appropriating the accumulated earnings on the endowment as needed. This is consistent with the Anixter Center's objective to maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

NOTE N - Lease commitments

The Organization has various operating leases for buildings and equipment. During the years ended June 30, 2015 and 2014, the Organization incurred \$178,126 and \$172,804, respectively, in total building rental cost. The Organization has also entered into various future lease commitments for equipment. Future lease commitments for various buildings and equipment in effect are as follows, as of June 30, 2015:

<u>Years Ending June 30,</u>	
2016	\$ 166,075
2017	132,957
2018	67,235
2019	2,037
Total	<u>\$ 368,304</u>

NOTE O - Tax deferred savings plans

Anixter Center has made available to its employees tax deferred savings plans that allow them to contribute a percentage of their earnings to the plans. Anixter Center may make matching contributions to the plans at management's discretion. Employees become eligible to participate in these plans after completing three months of service. The funds in these plans are fully vested and are not managed or controlled by Anixter Center. There were no matching contributions relating to these plans during 2015 and 2014, respectively.

NOTE P - Collective bargaining agreements

A significant portion of Anixter Center's non-management employees are covered by collective bargaining agreements. The current agreement between Anixter Center and the Local 20 Service Employees International Union (SEIU) representing such workers (totaling approximately 55% of all regular employees) expires on June 30, 2017.

NOTES TO CONSOLIDATED SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE A - Basis of presentation

The accompanying consolidated schedule of expenditures of federal awards includes the federal grant activity of Lester and Rosalie Anixter Center and Affiliates and is presented on the accrual basis of accounting. The federal grant activity of the Affiliates is to operate Department of Housing and Urban Development (HUD) financed properties. The information in this consolidated schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic consolidated financial statements.

NOTE B - Non-cash assistance

Nonmonetary assistance is reported in the schedule at the fair market value of the commodities received and disbursed. At June 30, 2015, the Organization received food commodities totaling \$965.

NOTE C - Loans and loan guarantees

There were no loans or loan guarantees made with any federal award money received.

OMB CIRCULAR A-133 AUDIT REQUIREMENTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Lester and Rosalie Anixter Center
and Affiliates
Chicago, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lester and Rosalie Anixter Center and Affiliates (a non-profit organization), which comprise the consolidated statement of financial position as of June 30, 2015 and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 19, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Lester and Rosalie Anixter Center and Affiliates' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lester and Rosalie Anixter Center and Affiliates' internal control. Accordingly, we do not express an opinion on the effectiveness of Lester and Rosalie Anixter Center and Affiliates' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lester and Rosalie Anixter Center and Affiliates' consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we are required to report to management in a separate written communication. These matters were described in our communication letter to those charged with governance.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Lester and Rosalie Anixter Center and Affiliates' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lester and Rosalie Anixter Center and Affiliates' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Directors of
Lester and Rosalie Anixter Center
and Affiliates
Chicago, Illinois

Report on Compliance for Each Major Federal Program

We have audited Lester and Rosalie Anixter Center and Affiliates' compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133* that could have a direct and material effect on each of Lester and Rosalie Anixter Center and Affiliates' major federal programs for the year ended June 30, 2015. Lester and Rosalie Anixter Center and Affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Lester and Rosalie Anixter Center and Affiliates' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement, Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and *U.S. Office of Management and Budget (OMB) Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Lester and Rosalie Anixter Center and Affiliates' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Lester and Rosalie Anixter Center and Affiliates' compliance.

Opinion on Each Major Federal Program

In our opinion, Lester and Rosalie Anixter Center and Affiliates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Lester and Rosalie Anixter Center and Affiliates is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Lester and Rosalie Anixter Center and Affiliates' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *U.S. Office of Management and Budget (OMB) Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Lester and Rosalie Anixter Center and Affiliates' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *U.S. Office of Management and Budget (OMB) Circular A-133*. Accordingly, this report is not suitable for any other purpose.
